SUMMARY

I am a software engineer previously at Oracle with a [Bachelor of Engineering in Computer Science](#) with a focus on systems development from the [Norwegian University of Science and Technology](#). In my free time I volunteer as a clarinetist in [Snaustrinda Spelemannslag](#) at the [Student Society in Trondheim](#).

WORK EXPERIENCE

Oracle - Software Engineer

Feb 2021 - Dec 2025

Senior Member of Technical Staff (IC3)

Aug 2024 - Dec 2025

Member of Technical Staff (IC2)

Jun 2021 - Jul 2024

Student Intern

Feb - May 2021

Part of the MySQL Optimizer Team at Oracle. We take an SQL query from the raw query string to an optimized query plan ready for execution by the storage engine. I have been expanding the output from EXPLAIN statements and implementing support for new data types, among which a fix for the 2038 problem.

NTNU - Summer Intern and Student Assistant

Jun - December 2020

INFT1003 - Web Technology and Teamwork. Preparation and development of educational tools, e.g. timesheet template, student group creation software and updating a website of relevant resources. Assisting students and marking student assignments.

NTNU - Student Assistant

Aug - Dec 2019

Programming 1 IDATT1001 og Introduction to the engineering profession INGT1001. Help first graders with subject relevant tasks, like programming, installation, setup and use of software, some hardware problems, as well as approve and criticize weekly tasks.

Jonas B. Kongsberg - Server

Jun - Aug 2018 and 2019

Tasks included taking orders, serving food, bartending, barista, washing up. Summer job between study years.

EDUCATION

Bachelor of Engineering in Computer Science at NTNU

2018 - 2021

Specialization in systems development using Java, C, C++, JavaScript, HTML, CSS, React, MySQL, Scrum, Belbin, software and network security. Projects include a LEGO-project, a game development project with databases and a web development project with scrum. My bachelor's paper was written for Oracle Norway AS, implementing the BOOLEAN data type in MySQL. Campus Kalvskinnet and Gløshaugen in Trondheim, Norway.

Classical Clarinet at Toneheim Folk High School

Aug 2017 - Jun 2018

Weekly private lessons. Participation in various ensembles, including concert band, orchestra, various bands, woodwind ensemble, clarinet quartet. Weekly subjects include composition and arrangements, musical theory, jazz improvisation.

PROJECTS

Clarinetist

2010 - present

Clarinetist in various ensembles, including Studentorchesteret Dei Taktlause, Snaustrinda Spelemannslag, Kalvskinnetreven, Kongsgårdmoen school marching band, Regionkorps Øst, Kongsberg Byorkester, as well as other shorter projects. Weekly lessons and talent development program at Kongsberg Culture School until 2017. Various courses and seminars.

Scout, Kongsberg KFUK-KFUM-speidere

2009 - 2019

Scouting group in Kongsberg, Norway with projects, trips, camps, courses, and weekly meetings. Patrol leader and leading functions.
